

**HOW GREAT IT IS TO BE BROKEN** - © all.above.north 2017

**PART A**

**VERSE 1**

God's creation when He made us  
Was perfection is purpose and design  
But we turned our hearts against Him  
Now our lives left in a spiral of decline

**CHORUS**

How great it is to be broken  
Set free from sin  
How great it is be broken  
Reborn again

**VERSE 2**

Now our hearts like bones were fractured  
Left to heal without a splint or a cast  
Now the wounds of life without God  
Take healing of a supernatural kind

**VERSE 3**

A crooked bone that needs a reset  
Must be broken to be straightened out again  
In the same way God's hand breaks us  
So that our sin can be gently carved away

**PART B**

Oh praise the Lord Almighty God!  
Rebuilt again  
I am free  
Praise Him
