VERSE 1

Father

Father, I feel surrounded

The enemy's stronger

I can't hold on any longer

Father

I'm weak and my heart is aching

I'm fading

I trust you will lead me through

VERSE 2

Father

Father can you hear me calling?

I am crawling

On my knees, I cry out to you

Father

I trust you won't let go

Father

You're God of my life and my soul

CHORUS

God, you are my father

Up in heaven you reign

Please hear me calling out

When I call out your name

Take me by the hand

And never let me go

Take me by the hand

And never let me go

VERSE 3

Father

Father, I feel surrounded

Father

I'm weak and my heart is aching

Father

I trust you won't let go

Father

You're God of my life and my soul
