

**YOUR LOVE IS UNBREAKABLE** – © all.above.north – 2017

**VERSE 1**

I look in the mirror  
See an empty face  
A heart full of fear  
And in need of God's grace  
I've struggled in life  
Against the enemy  
Enslaved by my sin  
And a captive of fear  
Fear bound me tight  
And it made me freeze  
No leap of faith  
Could be found in me  
Fear ruled my life  
And was taking God's place  
As king of life  
My provider of Grace

**CHORUS**

With your spirit inside me  
Your grace all around me  
God, your love is unbreakable  
With your spirit inside me  
Your grace all around me  
God, your love is unbreakable

## **VERSE 2**

God, you gave me this life

Because you love me

I praise you for beating death

On Calvary

The victory was sealed

By the empty tomb

A stone rolled away

Now a doorway to you

By grace I am yours

For such a costly price

Your Son on the cross

Is what gave me life

I praise your Lord God

For being King of my life

Hallelujah

Sing praise to the King!
