

MY DESERT HEART – © all.above.north 2017

VERSE 1

Life's been drying my out
I needed your rain
A desert landscape
All that remained
My heart was all dry
I was barely alive
Your Spirit
Held me from living a lie
And I needed you
I needed you
Eternal spring
Of the river of life
And I needed you
I needed you
Eternal spring
Of the river of life

VERSE 2

Thought I'd worked it all out
My life was astray
My heart held hostage
As sin had its way
I was scattered like seed
With thistles and thorns
The way I'd lived
Meant my heart was torn
And I needed you
I needed you
Eternal spring
Of the river of life
And I needed you
I needed you
Eternal spring
Of the river of life

CHORUS

Quench my heart
Send the rain again
To quench my heart
I pray this song
I pray this song

SOLO

I pray this song
